

Lufthansa Repatriation Flights

Lufthansa is working in close co-operation with the Embassy of the Federal Republic of Germany in South Africa to arrange additional repatriation flights. The repatriation flights will enable German nationals as well as European Union members and Schengen States residents as well as residents of The United Kingdom, Switzerland, Iceland, Norway and Liechtenstein to return home.

In addition, any South African national may make use of the repatriation flight if they are travelling for work, study, family reunions, to take up permanent residency or to receive medical treatment abroad.
